Weigh Labelling Scale
Model : TSSM120P15K

Trade approved price computing scales with thermal label printer that provides fast processing and printing speed. These affordable retail labelling scales deliver impressive informative label printing including graphics and barcodes.

FEATURES
TSSM120P15K

- legal for trade use (TS2182)
- text formats include reverse text but **not bold text** so this machine is not suitable for Plain English Allergen Labelling (PEAL)
- simple to use
- bright alpha-numeric display front and rear (includes tare display)
- easy to change label with front loading cassette
- flexible informative label printing including graphics and barcodes
- large memory to cater for most food labelling requirements
- fast processing and printing speed

OPTIONS

- bench model available on indent (product code TSSM120B15K)
