

Dial Bench Scale

Model : WS410

The WS410 dial bench scale provides reliable mechanical weighing with models ranging up to 50kg capacity. Featuring a robust stainless steel design, solid construction and high capacity weighing, this scale is a great choice for heavier duty applications.

FEATURES

WS410

- large easy to read, 250mm diameter dial
- solid robust construction
- stainless steel housing and weighing platform
- impact resistant perspex dial cover
- simple easy to use, zero/tare adjustment
- easy to clean stainless steel platform
