

Mini Mixer Grinder

Model: BRAFMGMINI32

Compact, powerful and ergonomically designed meat mincer mixer.

Suitable for grinding fresh meat, sausage or poultry all day, the BRAFMGMINI32 is a compact meat mincer mixer with flared hopper and powerful processing capabilities. The ergonomic design means operators don't have to lift lugs over their head or bend over to fill trays, and the smart design makes it easy to clean so you don't run the risk of cross-contamination between mixes.
