

Bench Top Vacuum Sealer

Model: WFV36BGS27

Constructed from high-grade stainless steel and coupled with a high quality German Vacuum Pump, this bench-top chamber vacuum sealer is designed for commercial use.

It has a 320 mm sealing bar, is simple to operate and can store up to 20 programmes.

Our entire range of vacuum sealer machines has been designed and finished to the highest of standards in Italy. The superior build quality ensures it is one of the most reliable and trouble free machines available.
