

Compact Meat Bandsaw

Model : MEST270

Compact meat bandsaw ideal for small to medium sized butchery environments. Constructed from quality stainless steel and engineered for robust performance, hygiene and operator safety. Incredibly easy to clean as main touch points can be removed without the need for tooling.

FEATURES

- easy to use with safety features vital for providing a safe workplace
- blade speed 19 metres per second
- robust stainless steel construction
- automatic preset blade tension control helps prolong blade life
- sturdy product pusher assists with consistently perfect cutting
- stainless steel upper and lower pulley wheels
- waste pan can be easily removed for emptying and cleaning
- large sized heavy duty stainless steel cutting table (600 mm x 670 mm) one-piece design for added hygiene and easy cleaning. Left hand table is standard.
- emergency stop button positioned so that operator can lean against it to stop the machine if required. Locks off until manually released
- sealed motor compartment to IP65 water and dust protection enables easy cleaning and reduces the exposure to damage
- power 230 V, 50 Hz, 1.5 hp, single phase
