

# Fully-Auto Food Slicer Stacker

Model : GRVA802C

The Graef VA802C is a high quality, German engineered, fully-automatic food slicer. This gear driven food slicer is simple to use thanks to the electronic interface and ergonomic controls.

Products may be programmed into the slicer, so your common settings can be retrieved from memory with the press of a button.

Stacking

Shingling

Shaving

Circular Shingling  
\*(optional)
